Dear Lord,

Thank you for the gift of faith that brings me constant hope throughout my lifetime journey. Through your grace I benefit from the many blessings you pour into my life. Help me as I seek wisdom about money and its role and use in my life. Give me wisdom as I respond to your grace with my 2019 Estimate of Giving. May my financial gifts in the coming year reflect a generous heart and one that is helping to transform lives here in our church family and outward to our community, country and the world. Amen.

God's Enough - Cultivating Generosity

Financial Commitment Estimate of Giving Card

This card represents a tangible opportunity to worship and serve God through generosity. When we return a portion of our financial blessings to God through our tithes and offerings, we invest in God's vision and mission, and we create an opportunity for God to work through us and through our church. We are richly blessed through God's grace poured out in our lives and in our congregation, and we feel compelled to respond to God's abundance. This financial commitment is a way for each of us to personally respond and become engaged in the transformative work happening in our communities and to make a difference through world-changing missions.

God's Enough: Cultivating Generosity

Please complete the 2019 Estimate of Giving on the back of this card and return it in the offering plate or to the church office. We ask that everyone return an Estimate of Giving Card, even if you can only make a limited financial commitment at this time. You can always increase or decrease your commitment if your situation changes by calling our Finance Department. If you have questions regarding this card, contact the church Finance Manager at 512-258-6017.

Electronic Funds Transfer

We recommend Electronic Funds Transfer (EFT) as a convenient and reliable way to fulfill your financial commitment to the church. With EFT, you can reinforce your commitment to give your tithes and offerings to God first, before anything else. EFT is also the most cost-efficient method of giving since it reduces administrative costs and helps maintain a predictable cash flow. Additionally, EFT allows us to be better environmental stewards by reducing our use of paper products.

To choose EFT, simply complete the information on the reverse side and attach a voided check for the account from which withdrawals will be made and return to the finance office.

If you used EFT in 2018, you still must complete an Estimate of Giving Card for 2019 to authorize the EFT, and you must attach a new voided check from the account to be used for withdrawals.
